

Campaign Volunteer Photography and Videography Agreement with CPWF UK

Dear Volunteer

The camera is the greatest weapon we can use when undertaking direct action in order to bring about both widescale and local change for the better. This agreement sets out terms so that both you and the organisation are confident and happy about the way these images can be used.

This agreement applies for the duration of your time on any CPWF UK campaign whether using CPWF UK supplied or personal equipment. However, it does **not** apply to images clearly unrelated to the campaign taken using personal equipment e.g. holiday snap type photographs taken using your phone.

As the photographer you

- ◆ Will ensure that all media supplied to CPWF UK are taken by yourself unless otherwise made clear
- ◆ Will provide media in the format agreed and, where appropriate, upload these to cloud storage provided by CPWF UK or to a provided portable hard drive
- ◆ Will maintain confidentiality with regards to the specified brief and the details of individual imagery
- ◆ Will assign intellectual property rights in perpetuity, including copyright, to CPWF UK unless agreed in writing prior to arrival on campaign
- ◆ Will not share these images with any third party without prior written permission from CPWF UK

CPWF UK

- ◆ Will reimburse any out-of-pocket expenses agreed in advance
- ◆ Will provide you with a named contact to liaise with and answer any queries regarding the imagery required
- ◆ Can use the media to promote our work, including storage of these and use in any form of media
- ◆ Can supply the media to external organisations or key individuals as long as its relevant to the work of CPWF UK

These terms are agreed by both parties upon ticking the photography and videography agreement box in Assemble.
